Dear General:

A resume of your
Common Sense View of International
Communism "speech appeared in
the Rochester Times Union. 12-21-60

I should like to commend
you for not losing sight of the fact
that the communist conspiracy
is an ever-present threat to this
Republic. Too many of our
leaders have succumbed to
the "peaceful coexistence" theme

It is reassuring to know
that there ^{are} men of your stature
occupying some of our import-
ant offices.
